About *Beyond Monet*

People of all ages can be part of every brushstroke as Monet's artwork comes to life in this spectacular audio-visual journey through impressionism. See his artwork beyond the framed canvases through music, sound effects, and scenography. You will become one with the paintings as projections of Monet's pieces swirl around transforming the space into an ethereal representation of 400 of his pieces of art.

This immersive experience is presented by We Energies Foundation and is being offered for a limited time only this fall. Don't miss out!

12:30pm **Lunch at Café Benelux**

Located in the heart of the vibrant Third Ward, we will enjoy a delicious lunch at Café Benelux which will be served on their unique, heated rooftop patio.

2:00pm **Milwaukee Public Market**

Before we return to campus, we will allow an hour to shop at Milwaukee Public Market or other stores in the Third Ward. Take your time and enjoy the sights and sounds of this wonderful area of downtown Milwaukee.

3:00pm **Board the bus to return to Waukesha**

4:30pm **Return to Washington County**
