Washington County

To assist students partaking in a positive learning environment, the University of Milwaukee at Washington Co Continuing Education (CE) program students are expected to abide by these rules:

1. Follow directions

We have a lot of fun and learning in store for participants of the program, and to help ensure that students stay on track to learn everything that has been planned, please follow directions the first time. This guideline is in place to ensure the safety and learning outcomes of all students. Our programs are rigorously and meticulously planned. By listening to instructions the first time, there should be more than enough time to get to all the fun!

2. Show respect with your words and body

In order to provide a safe learning environment where students can be who they are without judgment or fear, we request that everyone involved in the program be treated with respect. Our expectation is that all staff and instructors are treated with respect and are listened to during the day. Please know that the physical and emotional safety of all students and instructors is taken very seriously.

3. Think "Safety First!"

This is a good general rule to follow! Always consider the consequences of your actions prior to acting, in word or deed.

4. Ditch your cellphone!

Students are encouraged to leave smartphones and/or personal devices at home. Our programs are intended to bring students together in shared experiences that strengthen bonds of friendships and encourage an inclusive learning environment. UWM-Washington County and UWM-Waukesha CE does recognize that advancing technologies are a part of our daily lives and a tool with which families stay connected to coordinate pickups. If your student decides to bring a smart device to the program, they will be required to keep it in their backpack. If they need to contact you, they can do so with staff and instructor permission or during a break in the Continuing Education office. If a student does not follow this policy, the phone will be taken away and locked in our office until the end of the day when it will be returned to them. We cannot be responsible for any lost/stolen objects.
